SPRING JACKETS—GEO. M. SNOOK & CO.

HERE'S A LINE OF Spring Jackets THAT MUST BE SOLD

Here are the Prices that are going to do it.

HERE are about one hundred of these Jackets—Light, Dark Colored and Black; many of them lined throughout with Fine Satin. None of them but what are worth THREE times the price quoted!

WE HAVE ANNIHILATED VALUES BEFORE, BUT NEVER SUCH AN UTER DEMOLITION OF VALUES AS THIS:

FIVE LOTS: Lot No. 1 will be sold for..... 95 each.
Lot No. 2 will be sold for..... \$1 95 each.
Lot No. 3 will be sold for..... 2 95 each.
Lot No. 4 will be sold for..... 3 95 each.
Lot No. 5 will be sold for..... 4 95 each.

Just reflect for a moment, 95c will not pay for the making of the cheapest kind of a Jacket, yet 95c buys a good Jacket complete at this sale, in fact gives you choice of Jackets that have sold from \$3 00 to \$4 00 each. Take the line at \$4 95. There are fine Black Satin Lined Clay Worsted Jackets among them, which have sold from \$15 00 to \$20 00 each. When you consider that \$4 95 is about the price of an ordinary shawl, you will more fully realize what an unusual opportunity is now presented. To those who care for comfort and would save much money, we say come, come and attend this great sale of Spring Jackets. Our word for it, you will secure three to four dollars worth of value for every dollar invested.

Gates Knocked Out.

Yesterday morning the big gates across the street at Bridgeport along the Cleveland & Pittsburgh railroad tracks were wrecked by car No. 22 on the Wheeling railway line. The cause of the wreck was the fact that the gates were not raised to their usual height.

That Schedule Committee.

The committee appointed by the chamber of commerce to take action relative to changes in the Baltimore & Ohio's passenger schedule which goes into effect May 1st, will go to Baltimore early next week and confer with Third Vice President Lord, who it is announced will have returned to Baltimore at that time.

Live Stock Changes.

The live stock commission firm, Goodhue & Thomas, has dissolved. Captain T. S. Thomas retiring. Mr. A. J. Goodhue will continue the business at the old stand, on Tenth street, as Goodhue & Co. Captain Thomas, who is interested in a mercantile establishment at Clarington, may enter some business here.

Three Cases Yesterday.

Only three cases were in the police court yesterday. Charles Gebhart and J. H. Danner, both disorderlies, and J. H. Ritchie, for violating the health ordinance with his night wagon, made up the docket. Gebhart was fined \$10 and costs and in default sent up for thirty days. Danner's case was continued until to-day, and Ritchie was let go on paying the costs, the case not being very "fragrant."

No Quorum Present.

A meeting of the council committee on lights and the gas board jointly was called for last night to make up the annual estimate of appropriations needed by the department. Chairman C. A. Robinson and Messrs. Horstman and Burke, of the committee, and President Dunlavy and Mr. Buckman, of the board of trustees, were all who showed up, and this not being a quorum, the meeting adjourned without doing anything. The gas board has its figures made up.

A Veritable Treat.

The last entertainment in the Young Men's Christian Association course is expected to be one of the finest of the season. The Franz Wilczek concert company is well known in the musical world. Every member is an artist in his or her special line. On next Friday evening the company will surely sustain the brilliant reputation it has gained. The work of the company will be thoroughly artistic, but due regard will be paid to the demand for music of a popular character. Seats are now on sale at C. A. House's music store.

Put In as a Lunatic.

William Schaefer, a plasterer of the Fourth ward, was arrested by Lieut. Terrill yesterday as a suspected lunatic and Squire Gillespy sent him to jail for an inquiry. It was about town all night before last, and had the idea that people were charming him. He took refuge in the police office yesterday morning and wanted to borrow a revolver. He declared his pursuers were waiting outside the window, and when shown that nobody was there, he said: "They must have gone away." It is thought that possibly a few days of quiet retirement under a physician's care may restore him to his right mind.

On to Parkersburg.

The Ohio River Railroad Company has acceded to the demand of the G. A. R. people for a one trip rate to Parkersburg and return for those wishing to attend the annual encampment of the department of West Virginia which occurs there on the 23rd and 24th of April. The tickets will be good going April 24th and returning until the 29th. It is said that Wheeling will send a larger delegation to this encampment than to any other ever held in this state. The meeting of the state organization of the Woman's Relief Corps will be held in Parkersburg at the same time, and this special rate applies to the W. C. R.

New A. O. U. W. Hall.

Monday evening the new A. O. U. W. quarters in the Grand Opera House block were formally opened by Excelsior Lodge No. 18 in a brilliant manner, over 200 members of the order being present. Capt. B. B. Doyener's eloquent and impressive address was the feature of the evening. Mr. J. P. Morgan recited "The Corsican," and Mr. R. C. Darrah gave "Marc Antony's oration." The harmonica solo by A. J. Seifert was a pleasing feature. Brief addresses were also made by Messrs. F. H. Lange, Frank Grise, W. O. McCluskey and others. The other Wheeling lodges now meet regularly at the new hall, which is indeed one of which the order can justly be very proud.

THE DISAPPEARANCE

Of a Well Known and Popular Young German Printer

IS CAUSING GREAT UNEASINESS

Among His Numerous Friends—He was Shortly to be Happily Married, was Financially Prosperous, and no Reason Can be Conjectured for his Going Away Voluntarily.

Information was given the police yesterday that Charles Herrmann, a compositor on the *Staats Zeitung*, had disappeared on Sunday. Since 5 o'clock that afternoon he has not been seen or heard from. He was soon to have married a young lady in Bellaire. When he left he had considerable money. He roomed with William Voelker on the Island, and took his meals at the hotel VanKuron. He is about thirty years old, five feet, three or four inches tall, and weighed from 140 to 150 pounds. He had a small mustache, wore spectacles and had on a Prince Albert coat when last seen.

Herrmann was a very prominent young German, a fine compositor, fast workman and steady, and was well liked. He was a prominent member of the Beethoven singing society, a solo singer in that organization and a member of the choir of St. John's church, and head officer of the Druid lodge. He was also a Turner.

His wedding ceremony was set for April 12 in St. John's German church, and the Beethoven and church choir were to unite to make the musical features especially imposing. He had leased a neat house on the Island and bought all his furniture, and was impatient to have the wedding come off.

He left the Beethoven hall Sunday afternoon to attend the meeting of the printers' union, but he was not at the union meeting and has not since been seen or heard of. He always called on his betrothed at Bellaire Sunday evening, but failed to do so last Sunday. She is said to be a fine looking and excellent young lady, and is naturally distressed by the disappearance of her lover. None of his friends seem to have any definite theory as to the case, but they fear foul play or an accident.

UNITED STATES COURT.

Very Little Business Transacted Yesterday. The Snuff Case.

In the United States court yesterday morning very little business was transacted. The grand jury was sworn in, and the Green snuff selling case was decided against the defendant, the judge fining the man \$50 and costs, which was paid. The Margaret Moore pension case, which is attracting considerable attention, was called, but will not come up until this morning at 10 o'clock. The expected application of the Wheeling Bridge Company for an injunction against the Wheeling Island Ferry and Packet Company was not made before the United States court, but as will be seen elsewhere, the injunction was asked for from Judge Paul, in the circuit court.

Hannibal A. Williams Coming.

Mr. Hannibal A. Williams, the favorite and foremost interpreter of Shakespeare's plays, has been engaged by the Young Men's Christian Association to give a special entertainment in the Association hall on the evening of the 12th. Mr. Williams has already been heard in Wheeling and will be remembered by many as a man of splendid presence and thoroughly master of his art. He has a graceful manner, a pleasing voice, and recites with self-possession and keen imitation. He will render "King Henry IV."

The Evolution

Of medicinal agents is gradually relegating the old-time herbs, pills, draughts and vegetable extracts to the rear and bringing into general use the pleasant and effective liquid laxative, Syrup of Figs. To get the true remedy see that it is manufactured by the California Fig Syrup Co. only. For sale by all leading druggists.

A Break-Down in Wheels.

If you want something tip-top in the way of a bicycle—handsome, strong, will bear a heavy man's weight—the Apollo at \$75 is about what you are looking for. Will have a dozen in this morning. Asplendid wheel—pneumatic tire, of course. The Sairy is the catching name of a lady's wheel at \$50. Pneumatic tire? Sure. The Eagle Altaire is a thing of beauty. You'll say so when you see it. For that matter we have the largest stock of attractive wheels in the city. No, we don't "keep" them—we sell them. That's what we have them for, and we have them because we have learned what wheelmen want.

WHY WASTE YOUR MONEY—THE HUB CLOTHIERS.

SAVING'S

SAVING'S
WHAT
COUNTS.

Why Waste Your Money.

IT'S EASIER TO SAVE THAN TO EARN!

"A penny saved is two pence earned," quoth Sage Ben Franklin; true, every word of it. We all want money. We all work hard for it. For the sake of money itself? No; but for what it will buy, spending the money wisely, that's the rub. Does not the profit earned by economical buying count for as much as that earned by hard work? Here's where we come to your aid. We buy enormous quantities for spot cash. Turn our money over quickly. Can afford to give the lowest prices—do give the GREAT-EST VALUE FOR YOUR MONEY.

Men's Suits.

Might as well try to put all the water in the ocean into a tumbler as to endeavor to give the reader a conception of the magnitude and variety of our Men's Suit stock. Far easier to tell you what we haven't got than what we have, for there is little that is worth anything that is not found here. Not a Suit in the vast aggregation but is worth every dollar asked for it, not a style that is old, not a fit that is faulty, not a make that is unreliable. Scores of styles in Cutaways and Sacks, in single and double-breasted. When it comes to prices, we have practically no competition in this city with the quality of goods offered for the money asked. Come and compare them with any you have seen or heard of.
